

# Booker & BMW Nine Elms, Wandsworth

## Role

Quod provided advice on the submission of a planning application for the redevelopment of the Booker and BMW sites. This site represents one of the last low density commercial sites in Nine Elms and Quod enabled DTZ Investors to realise its potential for a number of tall buildings of between 5 and 18 storeys containing a mix of residential, retail and commercial uses. The scheme was commended by the Wandsworth Planning Committee for its contribution to both affordable housing and affordable business floorspace.

## Description

Detailed application comprising Demolition of all existing buildings and construction of new buildings of between 5 storeys and 18 storeys

## Client

DTZ Investors

## Planning Authority

London Borough of Wandsworth
