

Angie Fenton Director

BBus (Hons); MSc (URP); PG Cert (Urban Design); MRTPI

angie.fenton@quod.com

Areas of expertise

Angie is a chartered town planner with a strong track record of achieving viable and implementable planning consents, promoting land for development and providing commercially astute planning advice to her clients.

Angie has been lead planning consultant focusing mainly on residential, logistics, hotels, student accommodation and mixed-use developments throughout the UK and also benefits from her experience as a central London planning officer at the London Borough of Wandsworth.

She is involved in all aspects of the planning process, from advising on initial concept and acquisition of land to preparing planning applications, managing consultant teams and negotiating acceptable planning permissions with Local Planning Authorities.

Angie has a successful planning appeal record and has also successfully influenced Local and Neighbourhood Plans in favour of her clients, submitting robust representations and representing clients at Local Plan Examinations.

Key experience

Thawscroft Limited – Angie advises Thawscroft Limited on identifying sites and strategic land promotion in Chichester and the south east. Angie is currently advising on two outline planning application for major residential developments in the Chichester District on behalf of Thawscroft and their sister company Deerhyde Limited.

I.M. Properties – Angie is advising IMP on a high-density mixed-use tall building in central London and also provides strategic planning advice and due diligence on land investments for IMP which is one of the UK's largest privately owned property companies.
