

London City Airport Greater London

Role

The Quod Team have been London City Airport's planning advisors since 2006. The team secured consent for additional flight movements in 2009 and advises the Airport on planning matters on a day to day basis.

Quod co-ordinated the submission of Town and Country Planning applications for the comprehensive redevelopment of much of the Airport. The proposals for new infrastructure, a new passenger terminal, hotel and related developments are to be considered at a planning and Compulsory Purchase Order inquiry where Quod will be the Airport's planning representatives.

Description

New infrastructure and Passenger Facilities

Client

London City Airport Limited
