

Alex MacGregor Associate

BSc (Hons) Urban Planning, Design and Management, MSc (Distinction) International Real Estate and Planning, MRTPI

Alex.macgregor@quod.com

Areas of expertise

Alex has built up substantial skills through involvement in a large number of projects across London and the South East. These range from mixed-use, residential, leisure and retail schemes to Nationally Significant Infrastructure Projects.

He is involved with all aspects of the planning process, from providing initial advice at a project's inception, to the preparation and submission of planning applications and subsequent discharging of conditions, in addition to development plan representations and planning appeals.

Key experience

Sizewell C Nuclear Power Station – Alex is part of a team advising EDF Energy on their application for development consent, with a focus on drafting key planning documents in relation to the associated development required to deliver the new power station.

Heathrow Airport – Alex provided planning advice to Heathrow Airport Limited and led on the preparation of key documents in relation to the delivery of a third runway.

Newcombe House, Kensington and Chelsea – Alex is advising on a major application for a mixed use scheme in the heart of a town centre that is split across six buildings ranging between two and eighteen storeys in height. Key issues include heritage and affordable housing.

High rise development, Hammersmith and Fulham – Alex is advising on a major planning application for a new high rise residential led development along the River Thames.

Hemel Hempstead urban extension – Alex is providing planning advice for the promotion of an urban extension to Hemel Hempstead through the emerging St Albans Local Plan.

Chichester urban extension – Alex is part of a team providing
