

Hannah Swainston

Planner

MPlan Newcastle University

Hannah.swainston@quod.com

Areas of expertise

Hannah joined Quod in Summer 2019 as an Assistant Planner after graduating from Newcastle University with a Masters in Planning (MPlan). Prior to joining Quod, Hannah gained valuable experience on her year in industry at Transport for London working on a variety of different projects including the preparation of a TWAO to deliver a new ferry crossing over the Thames, between Rotherhithe and Canary Wharf.

Since joining Quod, Hannah has gained valuable experience working on a diverse range of projects including Nationally Significant Infrastructure Projects, residential, commercial and industrial site expansions.

Hannah assists her colleagues on a range of tasks, including research for the early stages of planning proposals, carrying out planning appraisals and statements and submission of planning applications.

Key experience

North Kensington Gate (South Site), Old Oak and Park Royal Development Corporation – Hannah supported the project team in preparing a full application to increase the number of units at the Site on behalf of City and Docklands Ltd. A decision is anticipated in late winter 2020.

North West Horley, Reigate – Hannah has assisted in the preparation of Reserved Matters applications for a number of phases within the development, as well as discharging and monitoring conditions.

Heathrow Airport Expansion, London – Hannah has been involved in the scheme development for the proposed third runway. She supported the project team in producing various technical reports and Green Belt research notes. Hannah was also involved in monitoring, reviewing and drafting consultation
