

A Quod profile

Eleanor Hillier Consultant

MSc Environmental Policy and Management BSc
Geography

Eleanor.hillier@quod.com

Areas of expertise

Ellie joined Quod as an Assistant Planner in September 2019 having completed a seven-month internship with the team prior. She is involved in the coordination and management of EIAs, preparation of Environmental Statements and provides strategic environmental advice to clients. In addition, she is fast gaining skills in policy analysis and GIS mapping and has tackled Screening Letters and Scoping Reports for a variety of sites with complex environmental considerations.

Key experience

Gilston Park Estate, North Harlow | Places for People

Provided support in the co-ordination of the EIA and preparation of the Environmental Statement for three inter-linked applications for the 1,000ha northern expansion of Harlow. The project included provision for 8,500 homes, community facilities, commercial services and infrastructure to be built out over the next 20 years. This project involved one of most significant releases of green belt land in the UK.

Rom Valley Way, Romford | Portland Capital

Co-ordination and management of the EIA and Environmental Statement to deliver 1,150 residential units together with a mix of retail, employment and health centre uses within the London Borough of Havering.

Queen's Square, Croydon | R&F Properties

Providing support in the preparation of the Environmental Statement for the redevelopment of Queen's Square, Croydon. The proposals include circa. 900 residential units with flexible commercial, retail, leisure and community floorspace and a new publicly accessible town square. In addition, a Grade II listed building, Segas House, is to be retained and sensitively refurbished as part of the development.

Key projects

Gilston Park Estate – North Harlow

Rom Valley Way – London Borough of Havering

Queen's Square – London Borough of Croydon

Bicester Gateway – Cherwell District Council

Wellcome – South Cambridgeshire District Council

Bicester Gateway, Bicester | Albion Land

Provision of strategic environmental advice and support in co-ordination and production of the Environmental Statement to redevelop a circa. 18-hectare greenfield site for employment uses within Cherwell District Council.

EIA Screenings | Various

Project manager for the efficient delivery of multiple EIA Screening Appraisals in a challenging variety of environmental contexts.
