

# Hui Ting Wong

## Assistant Planner

MPlan City Planning, BA Hons Geography  
(Geocomputation and Spatial Analysis)

[huiting.wong@quod.com](mailto:huiting.wong@quod.com)

### Areas of expertise

Hui Ting joined Quod in November 2021, having completed her study at University College London with a Distinction in MPlan City Planning. During Hui Ting's time at UCL, Hui Ting completed a dissertation on the planning-climate governance nexus across local planning authorities and a placement at the Strategic Planning function of a London Borough. Hui Ting was also part of a winning team for the Penang Bay International Ideas Competition (2021).

Since joining Quod, Hui Ting has been involved in infrastructure projects, mix-use regeneration and change of use application. Hui Ting supports senior team members by undertaking site research, drafting key planning documents and advise note to client, and submission of planning applications.

### Key experience

**London Resort** – Quod are acting for Kent County Council, Dartford Council and Ebbsfleet Development Corporation as the host authorities for the London Resort DCO application. Hui Ting is assisting in the coordination of discussions between the Local Authorities and the Applicant and the drafting of the Local Impact Report. Hui Ting contributed to critically examining the Retail and Leisure Assessment and other application documents.

**Lower Thames Crossing** – Quod are the lead planning consultant, acting on behalf of National Highways to resubmit the Development Consent application. Hui Ting is supporting the team in conducting research and drafting advise note on historic DCO decisions in relation to compliance with relevant policy tests.

**Tevva Motors, Tilbury** – Hui Ting has been involved in the change of use application for Tevva Motors' industrial unit, where there is significantly complex planning history to the site. Hui Ting's contribution includes preliminary desk-based site research, attendance at pre-application meetings, site inspection, and providing input into planning documents.

### Key projects

London Resort  
Lower Thames Crossing  
Tevva Motors  
East Wick and Streetwater

### Key clients

Kent County Council  
Dartford Council  
Ebbsfleet Development Corporation  
Lower Thames Crossing  
Tevva Motors

**East Wick and Sweetwater** – The project relates to 1,850 homes, 20,000sqm of non-residential uses, along with the delivery of a new piece of highway and two new bridges. Hui Ting has provided support in submitting Non-Material Amendment application and relevant consent as well as discharging planning conditions for associated development.
